FROM THE PRINCIPAL

As we bid farewell to another school year, I would like to thank the students, staff and community of North Rocks PS for an amazing year of learning and achievement and for making me feel so welcome in the role of Principal of this great school. As a result of the strong partnerships between school and home, NRPS continues to be a very busy, vibrant and progressive learning environment which has at its core quality teaching and learning for every child. It is now time for a well earned break and time for students to relax and recharge. I wish all the families, staff and the children a wonderful and safe Christmas and a wonderful holiday. We look forward to continuing working with you in 2019.

STAFF CHANGES AT NORTH ROCKS PS IN 2019

The end of any school year often brings with it sad goodbyes, as we farewell teaching staff leaving us for new horizons. For 2019, we will say goodbye to Mrs Diaz, Miss Demyane, Miss Raymond and Miss Lewis. These teachers have had a wonderful impact on their students and the school overall and I thank them for their passion and commitment to the education of our children. In place of these teachers, Mrs Bagley and Mrs Girard will return from maternity leave, and we await the details of a new teacher appointed Tuesday through a departmental merit selection process.

PRESENTATION DAY

Our 2018 Presentation Assemblies were held yesterday in the school hall. These assemblies allow the school community to recognise the efforts and achievements of many students who have excelled in different areas throughout the year. It was wonderful to see so many students receiving awards and my sincerest congratulations go out to all students regardless of if they took home a medal or certificate, for their wonderful progress in learning throughout the year

WARIALDA VISIT - DROUGHT SUPPORT VISIT

How does one begin to describe the hope buried deep within the human spirit to press-on and keep fighting for your family, your land and your community in the face of Mother Nature's most extreme climatic circumstances? This is what struck me so vividly during our recent visit to Warialda. Loaded up with all the wonderful gifts and items donated by the school community, we departed school last Thursday in the company of our students representatives from the North Rocks Social Justice Team, Levi, Jesse and Nathan of Year 6 who joined with Mrs Silver, Mrs Welsby, Mrs Hayman and I for an amazing couple of days in far North-West NSW. Arriving at Warialda Public School, the sense of excitement amongst their students was contagious as students assisted the unloading the vehicles. This was reflected in one child's comment that, "This is going to be the best Christmas ever."

From the school, our group visited the farm of Scott and Angela Stewart, a local family running a large farming business about 40 kilometres out of town near a place called Coolatai. The farm has been in the family since 1880. Angela and her neighbour Amy, along with their children gave us a tour of the property to see firsthand how the drought continues to ravage their land and lifestyle. This area has not seen proper rain for almost two years, and 2018 is on track to being the driest year on record for the region. Understandably, things are very difficult, but that flame of hope, optimism and determination to get through as 'the rains will eventually come' burns so intensely in these wonderful people.

Working with the social-justice team and through the work of Levi, Jesse and Nathan, it was such a privilege to share the generosity of the North Rocks Public School community with the Warialda community and be part of an initiative that proves Australians will always look out for our mates. In fact, the gift packs numbered enough that we could also share them with neighbouring schools such as Delungra, Pallamallawa and Gravesend Public Schools, all of whom were very appreciative as well. Can I thank our school community once again for their generosity and willingness to lend a hand, and we pray that the rain does come to these communities very soon.

A LETTER FROM THE PRINCIPAL OF WARIALDA PUBLIC SCHOOL

Dear staff, students, parents and wider school community,

On behalf of the Warialda Public School community, I wanted to extend our most sincere appreciation for the incredibly generous donations made to us.

Today, our students each received their care packages and I only wish your school could have witnessed the response. Our students were totally overwhelmed and in shock that students whom they have never met could have made such a genuine effort to do something so sincere and thoughtful. The closest description I could give is to say that it was much like watching children unwrap Christmas presents - sheer delight.

In addition to our school students each receiving their care packages, I have also forwarded the balance of packages to Delungra Public School, Pallamallawa Public School and Gravesend Public School. Each of these schools are also very much in drought impacted areas and the teachers are extremely appreciative of the packages.

We strategically packaged the food and remaining gifts and sent these home to families who we know are heading into the Festive Season in a fairly desperate state.

The three young men who visited our school from NRPS for our drought relief twilight concert have lead an amazing initiative and one that should inspire us all. They have taught us that no matter how old we are, where we live or who we are, we can do something positive that can make the lives of others better.

We look forward to working together with you in the future!

Kind regards,

Dan van Velthuisen

Principal

GOODBYE YEAR 6, 2018

Congratulations to the students of Year 6, 2018 for your efforts and success throughout the year. We have enjoyed taking the learning journey with you over the past seven years and as you now move into high school, we ask that you remain committed to making the most of every opportunity that comes your way. Your success in life is a direct result of the choices you make and the path you choose to follow, and remember that you can achieve anything your heart desires. We wish Year 6 every success and may their future education produce long-lasting happiness and fulfilment.

North Rocks Public School Stage 2 Requirements for 2019

December 12th, 2018

Dear Parents,

To assist your child throughout the 2019 school year, it is requested that the following equipment be provided. Your child will be expected to be responsible for the maintenance of his/her equipment and these need to be in good order at the beginning of each day. Please assist us in making sure all of your child's property, including uniform and school hat is clearly marked with his/her name.

Requirements:

- 3 x dark blue pens
- 3 x red pens
- 3 x green and/or black pens
- 4 x HB lead pencils (good quality)
- 1 x 30cm ruler (hard plastic or wooden, not metal or bendy)
- 1 x large pair of scissors
- 1 x set of coloured pencils
- 1 x set of textas
- 2 x permanent marker size 70 or 90
- 1 x fine 0.4 black marker (art)
- 1 x quality rubber
- 1 x enclosed pencil sharpener (not electric)
- 1 x small pencil case clearly marked with name for desktop use
- 1 x larger pencil case for coloured pencils and textas
- 2 x large family box of tissues (a note will be sent out during flu season if more are needed)
- 1 x liquid soap
- 2 x roll of kitchen paper towel
- 2 x pack of disinfectant wipes
- 4 x A4 plastic document folder (envelope folder)
- 1 x A3 plastic document folder (envelope folder)
- 2 x glue sticks (UHU stick or Bostik)
- 1 x pack of coloured highlighters
- 1 x clipboard
- 1 x library bag
- clear contact (to cover exercise books)

Please allow your child to pack their own bag every night and check that they have everything for school. This will enable them to become more responsible and independent. These items will need to be replenished throughout the year. It is also a good idea to have a small pencil case with the basics at home for students to use when completing homework e.g. ruler, pencils, blue pen, glue and scissors.

Students in Stage 2 are also allowed to bring in a computer device to school. More information about this can be found in the BYOD Policy and letter.

Introducing the School Opal card

The School Opal card gives eligible students free or discounted travel between home and school using the train, bus, ferry and light rail services you nominate in your application.

Who can apply?

To be eligible for a School Opal card, students may need to live a minimum distance from their school:

Years K-2 (Infants)

There's no minimum distance.

Years 3-6 (Primary)

More than 1.6km straight line distance or at least 2.3km walking.

Years 7-12 (Secondary)

More than 2.0km straight line distance or at least 2.9km walking.

If you live too close to be eligible for free travel, you may still qualify for a School Term Bus Pass, which offers travel on buses between home and school at a discounted rate for the whole school term.

Who needs to apply

A new application is only required if the student has not had a School Opal card before.

If the student already has a School Opal card and is changing schools, campuses or home address, you will need to update their Opal card for the new school year before mid-December at apps.transport.nsw.gov.au/ssts

How to apply

Applications for next year open at the start of Term 4 this year.

Step 1

Once the new school has confirmed your child's enrolment, complete the application at transportnsw.info/school-students

Step 2

The school endorses your application.

Step 3

Once Transport for NSW has approved the application, a School Opal card will be sent to the address provided on the application.

A parent or guardian must apply for students 15 years and under. Students 16 years and over must apply for themselves.

Student Transport Information

School student applications for 2019 open from Monday, 15 October 2018.

Students progressing to year 3 and year 7 **do not** need to re-apply if they:

- are continuing at the same school
- are residing at the same address
- have not been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply.

If students need to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2018 to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2018, the system will automatically cancel a card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out during December 2018 and January 2019.

Office of the Children's eSafety Commissioner

Join Band!

Is your child interested in joining the school band? The school band is now taking enrolments for 2019 and is open to all students currently in years 2-5. No prior experience is required.

In Term 4 students will see a demonstration concert at school that highlights the different instruments available for tuition. They will receive a green School Band Program note providing introductory information.

What do you need to do? Return the expression of interest from the bottom of the green note to try a variety of instruments with trained music tutors, to help your child find the instrument to which they are best suited. The results of this instrument trial will be sent home with comprehensive enrolment information.

Learning an instrument in an ensemble is a great way to experience the social, educational and personal benefits that music and the arts have to offer! TSA provides a quality instrumental program, with full ensemble rehearsals, great value tuition and rent-to-buy instrument hire.

For more information on your school instrumental program, please contact TSA below.

JOEY SCOUTS

adventure

Do you know how to cook chocolate spiders or make frog puppets? Can you build monsters and spaceships from scrap items? Have you ever grown a plant or hiked in the bush? These are all things you can learn when you are a Joey Scout!

friends

Joey Scouts are boys and girls aged six and eight who like having fun and making friends!

When you join Joeys you'll be part of a Mob. You'll play games, read stories, sing songs and do craft activities.

nature

You'll find out about nature and learn about native birds and animals.

You might fly a kite, go bushwalking, go to the beach, or visit a fire station, zoo or farm.

fun

The Joey Scout motto is HOP – Help Other People! You'll learn to jump in and HOP, and to share with your friends.

You'll also learn heaps of useful stuff, like what to do in an emergency.

When you join in different activities and learn new things, you and your mates in the Mob can earn special badges to sew on to your Joey Scout shirts.
