COMMUNITY USE OF THE K-2 PLAYGROUND EQUIPMENT

Dear Parents & Carers,

Our fixed playground equipment is a wonderful school resource. However, we are continuing to have ongoing issues with the safety of our students in the K-2 Playground after school hours. Please be reminded that if you choose to allow your child to play on the equipment after school, you must be present and that you are directly responsible for their safety and supervision. There are no teachers on duty in the playground after the 2:50pm bell.

The K-2 playground equipment is CLOSED in the morning, before school. All K-2 students are required to stay on the concrete area of the playground in the mornings to allow for safe supervision. A teacher will be on playground duty from 8:30am.

Before and after school hours, whilst on the school grounds, we expect all students to continue to follow the school rules. They should not be picking up sticks, climbing trees or playing in an unsafe manner. Students should not be playing or moving through out of bounds areas, even under parental or caregiver supervision.

We understand that families enjoy using our beautiful grounds and the social aspect of school life at the end of the school day, but the safety of our students is, and must always be, our first priority. Please support us by actively supervising your child outside of school hours whilst on the school grounds.

Thank you for your support with this matter.

Erin Dooley
Deputy Principal K-2 (Relieving)

Robert Ieroianni
Principal
