10<sup>th</sup> September 2018

## Parent Workshop on Digital Security

Dear Parents & Carers,

Early next term Senior Constable Rob Paterson (Youth Liaison Officer with The Hills PAC) will be speaking to our students on Wednesday, 17<sup>th</sup> October on the following topics:

- K-2 students: 'Keeping Me Safe' at 9:45am.
- 3-4 students: 'Cybersafety' at 11:15am.
- 5-6 students: 'Cybersafety' at 1:30pm.

Senior Constable Rob Paterson will also be delivering a free presentation for our parents on 'Digital Security'. This workshop will be on **Wednesday, 31<sup>st</sup> October from 6:30-8:00pm in the school hall**. This presentation is for adults only. To support this, child supervision for school-aged children will be available in our school library.

'Digital Security' is a Police presentation covering privacy/reputation management and cyber bullying prevention. Cyber safety is one of the primary non-academic issues that schools and young people experience today. Parents and carers must know how to use technology and should know what to avoid, where to seek help and what their children are doing online.

If you would like to attend the 'Digital Security' workshop please return the 'Intend to Attend' slip below with the number of adults who will be present and return to the school office.

Thank you for your continued support.

Rob Ieroianni  
Principal

Lee Shipley  
Deputy Principal
